

# Paddock Once More Equals World Mark for 100 Yards

## Numerous Closely Contested Events Mark the Meet Out in the Orange Belt of Star Track and Field Performers From All Sections of the Country

PASADENA, Calif., July 4.—The second section of the three-day carnival staged at Paddock Stadium here to decide the individual and club track and field championship of America terminated to-day with record breaking performances in three events. Charles Paddock, the Los Angeles A. A. speed marvel, and holder of five world's marks, again stepped the 100 yards in 9.3-5 seconds, equaling the mark he recently made at Redlands.

August Desch, of Newark, N. J., and Notre Dame University, followed with a sterling race over the 440 yard hurdle, being timed in 53.2-5 seconds, which is 2-5 of a second faster than his mark made in winning the intercollegiate title at Franklin Field, Philadelphia, on April 23. Desch topped one of the hurdles, however, and it is fairly certain that the new record will not be allowed.

Stevenson's Fast Quarter  
When it was thought that most of the sensations of the day had been sprung, the slender Bill Stevenson, formerly of Princeton University, but now sporting the silks of the New York A. C., won his first national title in foot championship figures. The Winged Foot representative, who won the Metropolitan Senior title in record time before boarding the train for this city, negotiated the quarter in 48.5-8 seconds.

Stevenson ran a superb race. He won handily and had the honor of clipping one-fifth of a second from the record made twenty years ago by T. E. Burke, of Boston. The American record of 0:47.3-5 for this distance is held by Ted Meredith, formerly of the University of Pennsylvania.

The failure of the New York A. C. "whales" cost the Easterners the team trophy. This coveted cup became the property of the Los Angeles A. A. when that club secured a total of 35 points. The New York A. C. was second with 30 points, and the Olympic Club of San Francisco was third with 23.

Other points winners were: Chicago A. C., 17; Illinois A. C., 13; Boston A. C., 16; Multnomah Club, Portland, Ore., 13; Notre Dame, 10; Loughlin Lyceum, New York, 8; Harvard, 5; Morningside A. C., New York, 5; Ninety-second Street C., Pittsburgh, 5; Ninety-second Street Y. M. H. A., New York, 5; unattached, 5; University of Missouri, 2; Phoenix Indian School, 2; Baylor University, 1; Kansas City A. C., 1; Meadowbrook Club, Philadelphia, 2; Melrose A. C., New York, 2; Yale, 1; Pennsylvania, 3.

Stalwarts Defeated  
It seemed the New York athletes surely would prove victorious until the early part of the 1600 yard hurdle race was announced. It was here that the Broadways began to lose ground, and they never recovered. Pat Ryan, of the Loughlin Lyceum, New York, captured this event, and the New York A. C. Olympic Club, surprised the spectators by losing out the Olympic champion, Mat McGrath, of the New York A. C., for second place.

Again in the shot put the Winged Foot representatives disappointed, for Pat McDonald, the world record holder and champion, could do no better than finish second. Clarence Houston, who edged the Los Angeles A. A. score by beating out the big New York police sergeant.

Willie Plant, the national champion, and Joe Pearson, the indoor title holder, were among the big point getters for the invaders from the East. This pair of sterling performers ran the mile walking race. Plant's time of 22:42 is considered extremely fast. He won by about ten yards over his teammate.

Ray's Terrific Pace  
One of the greatest upsets of the day came when Joe Ray successfully defended his title as the one-mile champion of America for the fourth consecutive time. Ray was in wonderful form, and he carried the race with ease during the last few minutes. His terrific pace from the outset, Jim Connelly, of the Boston A. A., who was looked upon as the most likely challenger for the Chicago youth's title, could do no better than second. Ray's time was 4:16.4-5.

Richmond Landon, the Olympic high jumper champion and world record holder, was another New York athlete who disappointed. Landon was in wretched condition and could only finish fourth in his favorite event, the high jump. He was out of the race when he fell from the bar.

Alberts, the sensational Chicago A. A. leaver, carried first honors with a jump of 6 feet 2 1/2 inches. Murphy, of the Los Angeles A. A., was second, and the Los Angeles A. A. was third.

Heffrich's Smart Win  
The East monopolized the half-mile run, as it was expected it would, but the order of finish was far from what the experts had figured it would be. Young Allen Heffrich, the Penn State freshman, competing under the colors of the N. Y. A. C., was the winner. Larry Brown, of the Loughlin Lyceum, was second, and Campbell, who competed for the Meadowbrook Club of Philadelphia, was second; Mike Devaney, of the Melrose A. A., New York, was third, and Tom Campbell, who was fourth.

Heffrich kept pace with his veteran opponents in the early running, but when the latter faltered, he was able to hang at the heels of the Penn State flyer and this pair soon opened a lead on Campbell and Devaney. Brown set a terrific pace and, hugging the pole, carried the New York A. C. man down the home stretch at a killing pace.

Nearing the finish line, Heffrich challenged Brown, and when the latter faltered, the newcomer to the ranks of champions shot to the front to win by about three feet. Campbell cracked under the strain, just as he did in the intercollegiate at Boston last May, and Devaney had no trouble taking the place. The time was 1:54.4-5.

Mitchell's Burial Thursday  
James Sarsfield Mitchell, for many years holder of the world's record for the hammer throw who died last Sunday morning from heart disease, will be buried Thursday morning from St. Paul the Apostle Church, at Fifty-ninth Street and Columbus Avenue, where a solemn mass of requiem will be celebrated. The body now lies in the Carbell hall at Boston last May, and Devaney had no trouble taking the place. The time was 1:54.4-5.

Baseball Club in Trouble  
HAMILTON, Ont., July 4.—Shareholders of the Hamilton Baseball Club will decide at a meeting called for Wednesday whether the organization is to be dissolved. Indifferent support accorded the club has involved it in financial trouble.

San Diego Beats Cleveland  
SAN DIEGO, Calif., July 4.—San Diego High School defeated West Tech High School, Cleveland, Ohio, 7 to 6, in the tenth inning of the second and deciding game for the national intercollegiate baseball championship to-day.

Merion Scores at Cricket  
PHILADELPHIA, July 4.—The Merion cricket team defeated the Philadelphia Country Club to-day, 246 runs to 123, in a Halfan Cup match.

## Prince Loree Sets Up New Pacing Record in West

First Cleveland Horse to Win Edwards Stake of \$3,000; McDevitt Driver

CLEVELAND, July 4.—The Grand Circuit harness racing season of 1921 was inaugurated at North Randall to-day under the most auspicious conditions. Close finishes, fast time and one of the largest first day crowds marked the opening.

One track record went by the boards. In the Edwards Stake, the feature event on to-day's card, Prince Loree, the double gaited champion of the world, paced the second heat in 2:02.4, half a second faster than the previous record, set by the same horse in the same race in 1918. The last quarter was covered in 30 1/2 seconds, a full second faster than the first.

The winner is owned by Captain David Shaw, and was driven by Mike McDevitt. He is the first Cleveland owned horse ever to win the stake, which had a value of \$3,000.

Prince Loree had to overcome a big lead to take the first heat. He got off to a bad start and trailed the first turn. There he began passing his field one by one, winning in the home stretch by a good margin. He was the favorite in the betting.

In the second heat McDevitt led Fred Edman set the pace with Ruth Patch and then passed him in the stretch run.

## New York A.C. Takes Feature In Big Regatta

### Local Junior Rowers Win Close Race on the Schuylkill; Oarsmen Collapse

PHILADELPHIA, July 4.—Oarsmen of four rowing centers shared in the glory of victory in the People's Regatta, a feature of the Independence Day celebration here, in a series of hard-fought races to-day over a mile and a quarter straightaway course on the Schuylkill River. Racing conditions were ideal, although the heat caused many of the crewmen to topple over at the finish. All were quickly revived.

Philadelphia clubs won eight events, the West Philadelphia Boat Club leading with four victories and a second place in five starts. New York entries won three races, Walter Hoover, of the Duluth Boat Club, two, and the Potomac Boat Club, of Washington, one. The Washington Canoe Club crews won both canoe races, which were rowed over a half-mile course.

The four-oared race, which was one of the closest of the day, it was won by the New York A. C., which, by a well-timed spurt, dashed from third to first place in the last quarter, beating out the West Philadelphia Boat Club by three feet in 6 minutes 35 seconds.

Seniors Also Score  
The Union B. C., of New York, stroked by Brodell and containing seven of the eight Columbia University varsity crew, won practically as it pleased in the senior eight-oared event. The Union led from the start and finished five lengths ahead of the Undine Boat Club, their only opponents. The time was 6:32.

The Malta Boat Club, of Philadelphia, won the intermediate eight-oared race by one and a half lengths from the Potomac crew.

Walter Hoover won two events against the same field. In the quarter-mile dash he beat Gilmontre Garret, of the Undine B. C., by half length, and two hours later he outclassed the field in the championship singles, winning from Garrett, who finished second, by six lengths.

New Rochelle Boy Loses  
A. H. Hutterly, of the Potomac B. C., won the association singles event. He dashed ahead of Morgan Le Count, of New Rochelle, N. Y., in the last quarter mile and won by two lengths in 8 minutes 10 seconds.

It will be some time before another brace of heavyweights battle for a purse that goes as high as \$500,000. A few weeks at least. But in the meanwhile there are still a few left who will be quite willing to take a portion of what happens to be left, and the crop is fairly good. A short lapse will be needed for every one to take an extra breath or two before another championship is mentioned, but the prospects will soon begin to pop out of the offing for casual if not close inspection.

### The Best Ones

There is Tom Gibbons, for one example. He may not be a world-beater, but he has been slogging steadily along until he has come within reach of the challenger's perch.

And there is still Bill Brennan. Dempsey is the only man who has ever knocked him out, and Dempsey needed twelve rounds in which to fire the victorious salute.

What's the matter with a friendly exchange between Thomas and William? Then we would know just a bit more as to how they should be classified. A Brennan-Gibbons match would be something to look upon, and in addition it would help untangle the snarl. It would be much better to have the winner of this match start for the championship than to have either move for it in a direct line without a testing joust by way of further trial. Just as present these two seem to be the best among the white heavyweights in line.

### Tiger Pairs

First it was Cobb and Crawford. One of the standing lines of the game used to be: "Cobb doubles to right and Crawford drives him home." Then it was Cobb and Veach. Not quite up to the Cobb-Crawford combination in punching power, but still extremely stout.

Now it is Cobb and Heilman. Or, perhaps, Heilman and Cobb. This pair, up to date, is the greatest of them all. They average 400, which is something above the average of any other Tiger combination. It is even well above the average of the old Lajole-Jackson team-up before the Shoeless One gave up baseball for pillow fighting.

As it turns, the three-ply slugging carnival among Heilman, Speaker and Cobb goes merrily on, with Ruth and Sisler hovering around the outskirts, threatening to horn into the argument at any given moment.

### The Discontents

There's many a millionaire, or such, Who'd trade his wealth for a putting touch.  
There's many and many an eminent bloke Who'd trade his fame for a mashie stroke.  
There's many a statesman, dull and blue, Who'd trade his soul for a seventy-two.

The argument as to whether Jack Hutchison's victory belongs to the Scotch or to America still moves along its way. But if interviewed by wireless Jack might say, "There is glory enough for both." Why not let it stand at 50-50? With the name Jack offsetting the Chicago habit.

In planning for its formal opening the Pelham Country Club went out and bagged Duncan, Mitchell, Hutchison, Barnes, Evans and Jones. If they are pikers, Pittsburgh Phil never w
